Smart Libraries

Christchurch City Libraries are introducing new technology to make it easier and faster for you to borrow from our huge collections!

What will this mean for you?

- No more queuing at the desk
- Issues kiosks that are simple to use and can issue up to five items at a time
 - Issue items yourself or ask staff to help you
 - Pay charges at the kiosk using EFT-POS or your Library Account
- More staff available to help you find exactly what you want faster
 - More space for activities, resources and seating
