

'your dream library' COMPETITION

ENTRY FORM

To enter the competition, fill in your name and contact details and using the space below, tell us what your dream library would be like. What would it look like? What would it have in it? What could you do in it? The competition is open to all ages. Kids you can even draw us your 'dream library'.....

As a mum I'd like to have an area for kids that is sound-proofed so you /they dont upset anyone with their noise, where there are child sized tables and shelves with kids books, lots of cushions and bean-bags for the kids to settle down & read/look at the books. This area would be on a corner of the building and around the area, the mums could sit and read their books while keeping an eye on the kids but knowing that they couldnt escape /run-off. The enclosed area would be light, have glass walls to the outer library so kids /parents could see each other. There would be a book reading sunken pit with cushions where Mums /Dads /Guardians would be encouraged to read to their kids and others kids could join and listen.

The step up seating area would have high backed seats for adults, but kids could sit on the padded step-up area.

Regular visitors could purchase cushions and have them stored at the library - these could be personalised with names /initials or favourite characters etc; these would be used at story-times or reading mornings.
