

# What's on offer for Schools?

Developing and supporting a love of reading, learning, inquiry & collaborative e-learning

## •Horizons Programmes

- Provision of specialist learning programmes integrating information literacy and ICT

## •Connect Programmes

- FREE programmes which offer an introduction to digital and information literacy utilising the wealth of Christchurch City Library resources whilst connecting within their community through a series of technology tasters.

## •Class bookings

- Pre planned topics integrating ICT into your programmes, personalised to your schools requirements.

## •Loan equipment

- A range of IT equipment available for schools to loan.

## •Professional Learning

- built into programme planning with LC staff and during class visits or by booking a teacher group PD session personalised to your schools needs.
