

# Mango's language learning goes where you go!

## The Mango Languages' iPhone® App is Ready to Go!

Mango Mobile Library Edition is the Mango Languages application for iPhone®, iPod touch® and iPad®. Free from the App Store, your patrons can now access fast, easy and effective language learning no matter where their travels take them!

- Patrons simply download and launch the app and login with their library user name and password for unlimited access both on and offline.
- Lessons work just like the online versions: touch the screen to reveal answers, hear pronunciations, and interact with the content.
- All Mango Basic and Complete courses licensed through your library are available via the Mango Mobile Library Edition app!
