*eBooks on your
mobile device or tablet*

Christchurch
City Council

Reading books on a mobile device is a convenient way to enjoy the pleasures of reading. Christchurch City Libraries offers the following eBook collections:

- [Askews](#)
- [OverDrive](#)
- [Wheelers](#)

Getting started

Download an eBook reader app. We suggest the OverDrive app for OverDrive, ePlatform app for Wheelers, and Bluefire for Askews and Wheelers - available at the App store (for iPhones / iPads), Google Play (for Android) or Windows Store (for Windows 8).

You may be asked to create and enter an Adobe ID and to authorise your device or to sign up for an OverDrive account. Follow the onscreen prompts to complete this process.

N.B. Many titles can be read in the web browser of your device without using an app - just checkout and choose the 'Read' option.

Download eBooks

- Go to: christchurchcitylibraries.com
- Select 'E-Resources', then 'Books and reading'
- Choose an eBook collection to browse

OR

Search the library Catalogue for eBook titles from all our collections

- Log in using your library card and password (PIN)
- Select, checkout and download eBooks

Need more help?
