

Linwood Public Library  
Sept. 26. 1914

To G. W. Russell Esq. M.P.  
Wellington

Dear Sir

On going through the Books of the Library I find that the last subscription ~~received~~ received from yourself was 2/- on June 22. 1912. I have no doubt that this matter has escaped your memory. I should be pleased to have your donation when convenient.

I am pleased to say that our Library is still progressing & in a flourishing condition we now have nearly 5000 volumes & over 500 subscribers.

I regret to state that our late caretaker Mr. J. Machin is seriously ill and not likely to recover.

Hoping you are in good health.

I remain

Yours Respectfully

W. W. Widdley
