

477 Shepford Street
Lynwood. 20 Sept 1921

The President
Lynwood Public Library.

Dear Sir,

In view of the motion carried at the last meeting of the General Committee which practically amounted to one of censure, I feel that, as a member of the original Works Committee and possibly the chief cause of dissatisfaction, I have no other course than to ask you to accept my resignation from that body.

Yours faithfully
E. Thomas
