

50TH ANNUAL MEETING

WEDNESDAY, 15TH APRIL, 1959, 7.30 P.M.

The Committee regrets that it has not been possible, on the grounds of accommodation and finance, to invite ALL subscribers to the function to be held in conjunction with our 50th annual meeting.

Invitations have had to be limited to those subscribers who, according to our records, joined the Library in 1935 or earlier and are still members.

If there are any such subscribers who have not received invitations, would they kindly leave their name, address and subscription number with the Librarian on duty as soon as possible.

The Library will be closed for the evening session on the above-mentioned occasion.

Secretary.
