Monday 1

Still wet to-day. Received answer to my letter to No. 2 Tooth. Will be pleased to see me when I am able to travel. Usual routine to-day nothing special to write of.

Tuesday 2

Another quiet day. Feeling a bit better

Wednesday 3

Started to have some solid food to-day. Went down well. Nice day, sun shining. Lot of the chaps went out for a drive. Sent post-cards home. Received letter from No. 2 Tooth. Not allowed out of bed yet. Lot of visitors in this afternoon. Another plugman visited me to-day. Saw Eslec Thomson's name in casualty list to-day. He has been wounded.

Thursday 4

Allowed to get up after dinner to-day. Feel very weak in the legs but was glad of the chance to get out of bed for a few hours. Turned in again before supper.
