Sunday 21

Andy & I went for a walk with a Tommy this afternoon. Went through some beautiful country lanes and a big park. Splendid mansion in the park, big herd of deer. Would be a feature in summer time. Received box of cigarettes from Boham this morning.

Monday 22

Spent a quiet day. In the hut most of the time. Lot of new chaps came into this hut today.

Tuesday 23

Another quiet day. Several of our chaps gone before board for furlough. Cold foggy day. Time hangs heavy at times. Will be better when I can walk more as I will be able to get out then. Plenty of small towns near here worth visiting.

Wednesday 24

hooped round the camp all day. Paid 5/- Only three of us left in the hut this evening. Had a game of cards & turned in early.
