

Dingel  
Puljuel

Sept. 3. We got off at 4 & walking toward the main city, evening  
I was alone the glacier got to the Gross Riegerhorn at 6:15 & then along  
the Dalfrülein, again we got icy slopes often covered  
with new snow, but it was nice sensation of becoming returning  
the same steps. It was very cold, we got to the top at 8  
The weather was gloomy promising after a short halt we  
returned to the valley the Dalfrülein & descended to the Pied  
glacier. We halted for food. We missed the icefall part of walk  
on the left - got on the mountain again to the top at 10:30. We had  
food. The glass was down & weather looked bad so we got off at  
12:30 & leaving the guide we went slowly through the way among  
the chabli. got to the hotel at the last part of the day.

Sept 4. We packed up & took luggage to the station had lunch & caught the
