**Phone 301 (Armstrong & Farr) Electroplating**

FOR

We have found that Electroplating in all its branches demands sufficient care and specialisation to take up ALL our time. The result is shown in the finished work. Our plant is easily the largest and most modern in the Dominion.

If it's anything in the replating line we can do it. Quotations furnished to the trade, hotels, and restaurants

**ARMSTRONG & FARR** The Plating People, 148 Victoria St. CHRISTCHURCH.
