Calling all Tinkerers! Come along to our 3D Maker workshop and use 123D design to create your very own masterpiece.

Welcome to a Christchurch City Libraries Holiday Programme.

Parent & Caregiver Responsibilities

Please read the following:

- A signed consent form is required for all children;
- Children outside of the recommended age range will not be placed on the course. You will be asked to sign our consent form verifying your child's age;
- Children may be enrolled in two programmes only. If you would like to enrol your child in more than two programmes he/she will be placed on a waitlist and notified closer to the start date as to whether or not there is space available;
- Please send the children to a programme with morning tea, drink bottle and lunch (depending on the length of the day);
- Children must be checked in by a parent/caregiver;
- Drop off and pick up times are 10 minutes prior to the advertised programme times. We are not responsible for your children outside of these hours;
- If your child is absent or running late, please ring (03) 941 5140;
- Please do not bring along an unwell child to the programme;
- You are obliged to inform us at registration if your child has a medical or behavioural condition. Your child will not be excluded, but we require accurate information.

For bookings, contact South Learning Centre on (03) 941 5140.

Come and check out this cool Makerspace! There will be crafts, LEGO, 3D colouring, clay, interactive games and more.

Minecraft Game Zone

Where: South Learning Centre
When: Friday 21 April, 10am to 12pm *Limit 20*

or

Where: Upper Riccarton Learning Centre
When: Monday 24 April, 10am to 12pm *Limit 20*

Ages: 8 – 12 years **Price:** \$7

Minecraft game zone is a 3D gaming experience that involves creating a virtual world and interacting with others in an online world. Students will need to have a basic understanding of using Minecraft software. Book in for a 2 hour session and create to your heart's content!

LEGO Mindstorms Robotics

Where: Learning Centre at Te Hāpua: Halswell Centre
When: Friday 28 April, 9.30am to 3pm *Limit 10*

Ages: 10+ years **Price:** \$15

Working with LEGO Mindstorms EV3, you will learn the basics of how robots work and even how to programme one to use sensors in order to complete a set of challenges.

Autumn Sewing

Where: Upper Riccarton Learning Centre
When: Tuesday 18 April, 9.30am to 3pm *Limit 6*

Ages: 9 – 12 years **Price:** \$15

In this fun workshop, you will learn the basics of sewing using a machine and create either one, two or three special projects. The projects you can choose from include a cushion cover, a pocket scarf, a pencil case or a library book bag! You will need to bring your own sewing machine and purchase your own fabric and supplies before the course. We will let you know what to buy.

Digital egg design

Where: Upper Riccarton Learning Centre
When: Friday 21 April, 9.30am to 12pm *Limit 12*

or

Where: South Learning Centre
When: Monday 24 April, 9.30am to 12pm *Limit 12*

Ages: 5 – 7 years **Price:** \$7

Easter has come and gone but we're still celebrating, so come down and join in the fun! Take part in a quirky QR iPad Easter hunt followed by a chance to create your very own Easter-inspired basket of goodies.
