Dear Sir

'Librarian Sydenham Library'

At our usual monthly meeting held  
on Tuesday last - January 19<sup>th</sup> -  
The matter re certain Books by Lindsey Russell  
was put before the meeting by the Chairman  
and after discussion it was resolved  
that no action be taken in the matter  
at present. I may state that we  
are quite in sympathy with you  
& should anything further transpire  
in the direction you stated on Monday  
last we are prepared to again  
open the question & assist you;  
but for the present my Committee  
think it wise to let matters stand  
as they are

I Remain

Yours Respectfully  
Wm. J. C. Cey
