that we have been enabled to complete  
the extensions to the Building for which  
we have been working for several years  
Thanks to the valuable assistance  
rendered by the Ch Ch City Council  
in providing the necessary funds  
and its officials of the Survey Dept  
in erecting the additions to the Building  
It gives us great pleasure to meet the  
Subscribers for the first time in the  
new Building which is now thoroughly  
equipped with every modern  
convenience and is considered to be one  
of the finest suburban Libraries  
in the Dominion and should meet  
the requirements of the Subscribers  
for many years to come
