

Linwood Public Library
April 2 1917

To H R Smith Esq
Town Clerk
Ch. Ch

Dear Sir

We should be glad if your Council
will have a ventilator put in
the roof of the Library -
We find the Main Room very
oppressive in Hot Weather
Especially when a number of
Subscribers are in the Building
We are prepared to bear the Cost

I Remain

Yours Respectfully
W. M. D. C. J.
