

positive fact that there is favouritism going
on with a certain number of ladies who are
friendly with Miss Busford and furthermore I
know ~~for~~ a positive fact that a certain lady is
allowed to enter the library before it is open
to the public.

I appeal to your sense of
justice that this matter be given careful consideration
and so bring about that fairness which is due
to every subscriber of the library

Yours faithfully
(Miss) G. E. Wigglesworth

The Committee
Lenwood Public Library.
Lenwood.
