**King of Air Fighters:** The Biography of Major Mick Mannock, V.C., by Squadron-Leader Ira Jones. In the records of the Royal Air Force Mick Mannock, V.C., will for a long time stand as the ideal air fighter. Modest in demeanour, courageous to the highest degree, he was "The most inspiring figure in aerial warfare of the Great War." Of all the aces, either British or German, Mannock was unsurpassed with 73 official victories.

Mr Jones has done a great service to the world, and this epic of adventure, courage, and of success will for generations appeal as a splendid legacy of inspired self sacrifice.
