with a lucifer match, found guilty
but ~~off~~ on promising to behave better
for the future. All boxes hoisted up
out of the hold for the convenience of
getting clean clothes. Getting into the
trade winds. 12 o'clock Sat. 27th 28

Sun. 20th 5 Distance 97 miles. Very warm
all day.

Sunday 22nd Fine morning, rather cloudy
towards noon, wind fair. Had service at
eleven o'clock. Mr. Hollock read prayers
and Mr. Puckell preached, from the second
lesson. 12 o'clock 26.9 Long 21.8 Distance 123 miles
In the afternoon the wind increased and we
had a little rain. took in the sail, by a
studding sail, and Mizzen royal.

Monday 23rd A good deal of wind, going at
times eleven knots an hour. Calm and lowering
all day with a good deal of swell. Saw

12
some of the Flying fish. felt very unwell all
day in consequence of the heat and closings
the deck. not able to have our ports open
all day. 12 o'clock Sat. 23.16 Long 22.53

Distance 196 miles. Mr. Williams appointed
inspector of the stores, but the passengers were.
Tuesday 24 Showers this morning, rather
less wind and the water calmer. Saw
a great many of the Flying fish. they rise
in small shoals and look more like
white swallows than anything else. also
saw a hantelans. 12 o'clock Sat. 20.22

Long. 24.54 Distance 208 miles. About 216
miles within the tropic of Cancer. A fair
wind and plenty of it all afternoon and
evening. at one time went eleven knots. had
some heavy rain. the people busy catching
rain water

Wednesday 25th Fine morning, light wind.
