

one a ship. the other a Snow Schooner  
 spoke the latter the March if. New Bed-  
 ford put three months and had not  
 seen a whale. Appearance of squalls  
 at 6 o'clock P.M. took in Studding  
 sails and voyal. took the trades

Oct. 8<sup>th</sup> Breeze calm all day. lowered  
 one of the boats and had a pull. Anne  
 heavy rain in the evening. heard Anne  
 Black fish playing near the ship in  
 the evening.

9<sup>th</sup> Calm nearly all day, wind  
 all round the compass. Squally in  
 the evening with rain took in Studding  
 sails and two voyal. Lighted four  
 voyal. a big peaked cloud under our stern  
 in the evening.

10<sup>th</sup> Light breeze with squalls

heavy rain nearly all day. caught a  
 large quantity of water. all busy  
 washing. about 10 o'clock P.M. had a  
 nice breeze from the S. heading N.  
 caught an Albicore had him for dinner -  
 a pigeon flying the ship, sailed on Pacific  
 top mast Studding sail boom - lighted  
 three voyal. all outward bound -

11<sup>th</sup> Very light breeze, with squalls  
 wind and rain - a ship in sight

12<sup>th</sup> Light breeze with calm, fair  
 all day - painting the ship outside  
 the same ship in sight - the wind  
 about N.

13<sup>th</sup> Still light winds and calm -  
 very fine weather. took the hatches  
 off the main and fore hatchways  
 fearing that the wood was heating
