

Strong gale with high sea close
reared main topsail two ships in sight

13th Wind E. N. E. Course N. by W
Strong winds a Dutch bark in
company -

14th Wind N. E. Course E. S. E.
Strong winds shook the reef out
of the topsails

15th Wind N. Course E. by N. Moderate
midnight a breeze from the south
set Studding sails

16th Wind S. Course E. by N.
Wind variable in Stud. sails spiced
a ship and bark standing the same
way -

17th Wind N. N. E. Course E. by S
Equally with main several sail in
sight -

18th Wind E. by S. Course N. E. by N.
light sea and fine in the evening
South Studding sail set and going at
last with a fair wind - getting the
cables up expect to sight the land
tomorrow if the breeze holds a great
number of vessels in sight

19th Wind S. S. W. Course E. by S.
Strong breeze all sail set with Stud.
sails ~~set~~ averaging 10 knots all day -
passed the Start at twelve o'clock -
sighted a large number of ships of
all kinds including a French
Pilot boat and fishing boat. We
have beat every thing except one
large ship. Day fine and clear took
in Stud. sails at 6 o'clock rather
hazy cannot see anything lights -
