

Sotheby's Room. May 1833.

May 25 Went out 4th. his place, after going to Mass at St Pierre du Quay noir (Carfax), walked 1/2 hour for one for the same, but had to go off for the train. I had to change hands so I got a basket basket & had it in I caught the 12.10 & had lunch in the train, at St. Germain & changed to the train for Orleans train 4th train at 5. I went to Orleans & returned very little fresh. The Europe, which I chose best room & good food. I had not had a look at the Cathedral & took two photos.

Orleans.

28 Went out 4th & caught the train - one of the stations of Joan of Arc & Angiers in the Place de Martini, & one of the Maison de France. The Cathedral was destroyed by the Calvinists in 1568, the foundation of the present building laid by Henry IV in 1601, the style is flamboyant but very attractive. I got the 11.14 train, & got my lunch in a basket & had it in the train. I got to

Chartres

Chartres at 1.35 & went to the Hotel John Deance. After coffee I went up to the Cathedral. It is indeed a thing to see, the porch - the canopy - & the glass. So very nothing of the schizy general effect. Inside the woodwork, the plan view for the width depth of the two W. S. & C. & the N. side is raised 4 steps & the S. 2 which gradually turn level before the doorway. The blue of the glass was very wonderful - it looked like a little as if it was faded from blue, I took several photos including one of the screen which the choir with the canopy of the life of X<sup>c</sup>. I heard the bell of the bell. I went out & had some tea & walked round the town & picked some plants to take in the evening. I saw St. Aignan & St. Pierre which seems to nothing but a distance & returned glass window. A good deal of glass & by the fragment of the screen in a chapel at St. E. had. I saw the famous Lion eye example of the Apollo (XVI cent) & was not impressed.

May 30 Went out & took some photos of the Cathedral & of the Palais National & created to Pierre Berthe. In the Cathedral, the altar near the S. Portal is ornate with a basket of golden flowers & blue enamel nails. I caught the 12.12 to Paris - an stop at Versailles - no view of the palace. Paris next morning 1.34 took a taxi across the garden du Nord (9th) & deposited my baggage, took a bus as far as it was (Paris d'Orleans) & started to walk back, passed the university & hotels & came to the Palais de Peuple & got a train back to the Place St. Michel - went to Hachette & to 79 Boulevard St. Germain & then to Calvi 3 Rue du Soldat - (then to Rue de Seign 5.9 to Nord. S.G.) the habits of Peyrony & the prohibition. got a meal near the station caught the 8.10 back.

June 1 a fine morning - a specimen in the salon. - D. only day - had out at 5.15. Caught the 11.20 4th to Harrogate at 3.15.

30 days - sleep in 2 places!

Le Mini Paris March 1835.
