The Canal to

is full of birds. You can see a lot more now.

are birds than the books of Charlie Webster. I am told like.

Oct 22. Now. The wind was on the starboard side & was warmer on

deck sleeping, we can still see Cape Horn - full of

Panama on the starboard side. Every day a little

better after the day before. Played deck only of after deck 5-6 pm

we are in cloudy damp weather, 7-8° was cold as night & deck

rain & started in morning. Played deck electric on after deck after the

Slept on deck & got out of wind & was very comfortable. Weighed in

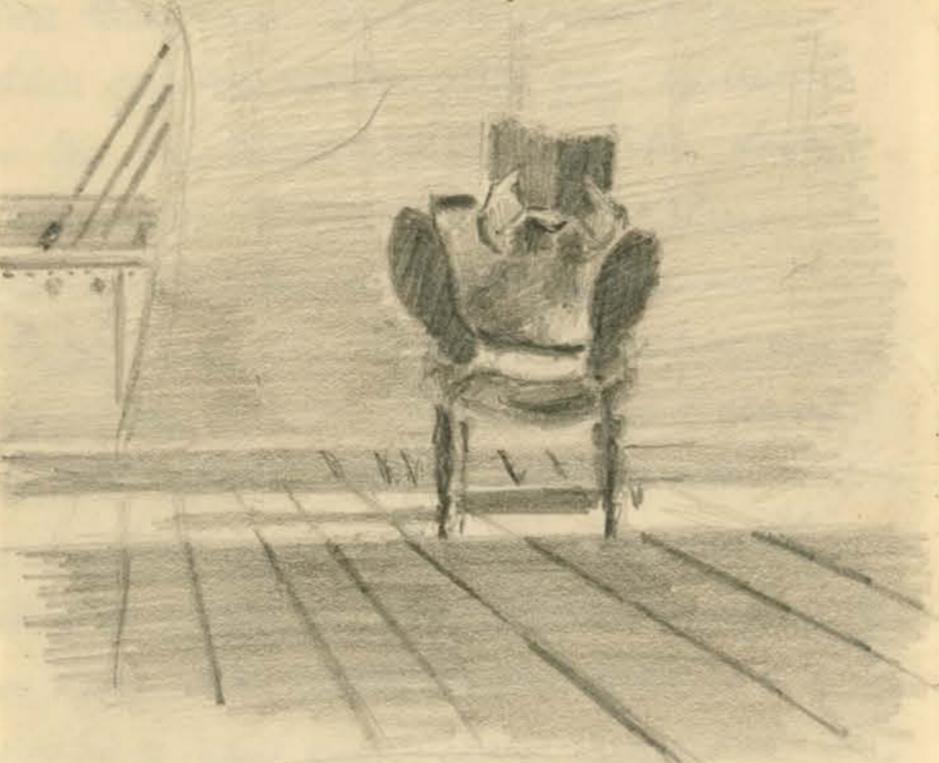

short coal 185 lbs. At 10 am we took 0.01 from our

treasure, may be worth half of the Dolomites gold. Mr. S. Tades

& better weather.

The New Zealand Shipping Company's

General Brown

got out of the water of the ship
when we turned & went up the N.Z.
a little birdie with big eyes
got out of the Pacific ocean

164 got out of the wild sunrise
5 days - up to break on Darien.

Oct 25. Saturday evening Captain Brown

- it was very bad

5660 on the line

Oct 25 A Cold night - the cold. I had had a deer, but a better morning

Some sun. Played deck polo after deck. We had just left a

Canary. And began a 35 miles a day course. A small sea bird

partly webbed feet, size of small pigeon color slate blue big wings came

closed.

Oct 26 Friday had his blankets & slept well & warm. A watery

317 sun rise but sun came out - the sun clouds. Received canvas

hanger

Oct 27. Sat. A warmer night. Slept well, if anything too warm.

318 Played deck polo on after deck all morning.

Oct 28 Sunday. It was a warmer night & the sun got out in full force

Celebration 7:45. (19 hours) The Captain was very excited -

316 talks the Rocker service. One of the pleasantest days in

his life. Mr. McPherson is talking the evening service.

Oct 29. Mon. A warm night & cold - a very clear day as

there was no air. late or because cool. Played deck polo

all morning. Got an excellent sketch of myself in my

Chair from Gerv. Brown who had met Sam Excellence - SKULLS

The Rock Meeting was in the evening.

Oct 30. T. I woke up about 5 am & had a sleep again.

I watched a very wonderful sunset as I lay in my chair on

301 deck. After I was up I spotted what looked like a

cloud of smoke. Holding my glasses saw a vessel

- the Yacht - which passed at about 8.5 during

breakfast.

Oct 31. W. A pleasure night - played deck polo on after

deck before lunch.

Nov 1. All about. The wind had shifted & turned to the

+ the "Treasure Hunt" had put off. At night the ladies had

the port side & I turned on the starboard - still slow. In the

night the wind shifted to the port side! Celebration at 7:45

A fine morning. Played on after deck. Patti Mealey at 11:30

long & wearisome. rain again in evening. Treasure Hunt in

evening. Hand 20.5. Notes of Capricorn
