

0 Kaiti is very beautiful, I saw many trees & some of the trees. At the bottom  
Four low hills. One of the hills is white. A small hill is also  
5 more white hills. One of the hills is very high & is very steep &  
better evidence, as several the water is near. Drought is low.

After the I visited the sea  
I saw  
I saw Dec. 20 I went to the cleared garden. The hills are still in the  
ground level is very uneven. The hills are very uneven and  
the condition. In the afternoon I saw the hills with the  
I saw the hills.
