

Wed. 6. Meeting at 8, did not leave my slides & could not read my notes
& was very tired. It was a joint meeting of the A.C. & C.H.C. ^{100 H}

Mar 22 Fri. Called a British Julius left at 11 & drove to Springfield then I
got home 12.45 left 1.30, a car near Canyon of Castle Rocks
got to Bealy had to be towed across as the log was broken
got to Blair. There was no time for a cup of tea so I drove on to
Blair got there 5.40 had tea - Sewed trays at 8.30 104m

Springfield 12.04
Canton 8.03

Mar 23 Sat. got off 11 had lunch with the Dillmanstein Avenue 481.
to Hoka at 2.30 - 5 stayed with Keighly. Jam. wind guard
frame broken. got to Habitat later very hot in the car raised the
reflected. Saw Carlson and - Doh. 55.

Mar 24 Sun. Took the 5 o'clock celebration & preached at 11
very tired. had all Kuitangyi about 3.30 saw a few people
took service at 8 in the church. 5 stayed for trunk was

Mar 28 Mon. Visited with the Kuitangyi, travel with Dennis Deamant
at Hoka took a motor service at 2.30 after tea
dinner at Hara-Hara. It was getting late & my 2 g. u. amo
was not waking. I called to see osseus for a few minutes
got behind a 4 s. w. log & then began to get up & could not
see left after the Waitaha Ridge. It got pretty dark
before I got to Rial Walli where I stayed. 64m

Mar 26 got off 9.30 called at Jack & Dave Graham, talked
with Mr. Gunn about the car had some items, I was a
man back to the Hoka. He had cracked his breastbone
& Mr. Gunn had slipped him up. Got to the Hoka in the
Wed. about 4.30. Arranged for mudguard stay which had been
broken & for 2 g. amo legs of L. Hoka Hara. The wheel
had been bad. Cells killed by lightning at Hara-Hara on Mar. 18
& Washy at the Hoka. Up the Dammun had been across the river from
his camp waiting till it went down to cross. He was struck, & badly hurt
under the arm down the (rod) legs, I saw some of it about 10 days later &
it was pretty severe. He was wearing oilskins & from both sides. My gun
helped him to the top of a log & the head of the other log. I was
It was covered in 1 day on his back with arms & legs sticking out of

Lightning
accident

"like a celluloid doll". He was conscious but unable to move for 2 hours. Then he
managed to turn the wheel the car was carried away & Jim managed to get a brand
of a tire. He got to his car: I think next day another person came
up & brought him down & got him to the Hoka. When I saw him today
he was going very well. 40m

While I was away the weather was bad. 3.5. Wanganui ^{from} Feb. 16. 7. on Mar 21
& 1.5 on Mar 26.

Mar 27 Wed. I had the dynamo taken off & the rear mud guard stay & then
up to Hoka. I had up my diary & copied C. D. Duglas's notes
arranged them.

Mar 28 Thu. With C. D. Duglas went, visited parties at Hoka
Seichalman arrived had a long game with him & Peter

Mar 29 Fri. Went down to the Cooks River with him & Dennis, then back
to Blair & Mr. Graham. He took me to see some where I stopped & had
lunch. He seems to be keen on a car. They were on the 1-
Belmont Hill. Car went for the Cooks. Also Blair was to
be returned for me at 2.30 but did not come. At 3.30 I
walked along the road & found him coming out of S. 200
he was seen Cooks at 5.30 & got back at 6.30.

Mar 30 Sat. With C. D. Duglas went to the station with party including
him & Dennis, Seichalman went, took photos. With C. Duglas went.

Mar 31 Sun. At 7.30 Sold photos. With letters coming 8.15
with letters. Went to bed late.

Rainfall for 15th months of year.

Jan.	21.21	inches	for 12 days on which any rain fell.
Feb.	12.75	"	" " " " " " " " " " " "
Mar.	17.26	"	" " " " " " " " " " " "
Total.	57.22	"	26. (9.35 on Feb. 15/30)

April 1. Mr. Wooten up Douglas reports, it came on to rain in the afternoon
did not go out.

April 2. Mr. Wooten reports arrived the fuel in & found the stay for
fuel much used
