Sunday 29th of November 1896 - 1897

9 O'clock mass. at Leweston today.
Rather dull looking & cloudy.
... this morning.

Meeting of School Committee

Re. Concerning price of Lick
Monday 30th December 1896

Started to fetch milk to factory
in the morning.

24 Gallons this morning
10 pounds to the gallon =

Raining last night - thank
God - this is good for us - all

232 milk got back 18 1/2 gallons
5 gallons waste - this two
much to take off -

looking quite stormy
- today also this afternoon

Tuesday - a most beautiful
day - thank God

the weather is better
all round
