

Monday 11 - January 1897

Meeting of School Committee at 7 P.M.

John Cutting wheat opposite house very warm today. God almighty grant us some rain before long.

Blowing of Cool from the south this afternoon got about 20 of oats & 12 of wheat to cut - yet.

in plums thrashing of grass & out of stooks...

Tuesd 12 got letter from Devant Re. Concerning Jameson claim he said he would settle the affair if I paid him back the 15-0 the account me for 1896 not if I know it they can sum that there

Wed 13 the Cow I bought from Wilson for 6-00 was awful bad in calving she had to pull the calf from her hind part - Commung first & could not get hold of legs. Spence was here in he is a wonderful good neighbour so far

Blowing N. West this last 3 days blowing all day

Put up one sack of oats yesterday

Wed 13: January 13 - 1897

The Cow seems a little better - thank God this is good shape she gets all right -
