

Monday 15 February 1897 - <sup>Continued</sup> 2

I will take you down & take you to ell.  
 Until you see the rich man down in Hell  
 For there he will. Now his teeth & pull his beard  
 Because when he was living the moral law he never feared  
 But now when he finds himself in a bad nick he den  
 He wished he was back to his old seat - again  
 So old nick has got <sup>him</sup> & he will spare him  
 Never again shall he go. until the Day. Em
