

Monday 12<sup>th</sup> of April 1897.

Blowing ev. over a fair. today  
Mr. Holly getting all right in. got 5 fallons deep from  
ev. Spang whiter deep in  
Dipped about 4 or 5 hundred for  
in John Smyth.

Tuesday 13<sup>th</sup> Meeting of School Com<sup>tee</sup> at  
Blowing light ev. over. Most awful  
any weather just now.

got Iron Sheetting from Wshy.  
Berg & Company. 9-5-0  
9-6-6  
9-11-6

got done good at meeting  
got land from meeting  
very fine = Selwyn

wed 14<sup>th</sup> Meeting of Libr ary Com<sup>tee</sup>  
at Killinchy. Blowing mild ev. over.

today 15<sup>th</sup> Booy ploughing  
Bill Holt said Cook was  
the man that told them mix  
up Croton oil = he made it  
too strong = 20 drops is too much  
for rubbing on a fellow's @ Kerry  
Woods offered - 2 = 12 - 6 pro  
Chaff = too little just now =

Thursday 15<sup>th</sup> April 1897 =

I Deal Commenced to put  
up Oven & put in Boiler =  
he seems a good hand at it =  
it took about 35 fire Bricks for Boiler  
a splendid day. Layd a foot  
in foundation in

Friday 16<sup>th</sup> good Friday. May god  
in his mercy be good to us all in  
Holiday at church =  
Ref. it a Holiday all round.  
Not every 13 and 14 =  
a little rain to night =

Sat 17<sup>th</sup> a shower = this morning  
Cold = wind from South =  
Commenced with 3 Cans to factory  
235<sup>th</sup> little lot - this

Sunday 18<sup>th</sup> One pig killed today

Sunday 18<sup>th</sup> Easter Sunday  
I came home from the lake shooting  
Thousands of ducks. got 30 between them.  
Ducks were wild just now =  
Blessing lights this morning =  
Benediction of Bless of  
Sacrament to day  
very quiet it is given day time
