

Thursday 15 July 1897 -

J. Halls Sale today -
about 2000 people there
you could not get near what
they were selling more than there
was could buy them now for less money

Truly Most Beautiful day &
God almighty Grant us some
good Rain before long,
we want it Badly in
woods cutting & by
his machine washes a coll. de cond cutt

Bob Connell Carting
mangle for iron he bought them
at Halls

at 15 tons oat straw
at 160
210-10-10-0

Woods did not finish
the straw he left 1 1/2 tons
uncut: better look
Next time old fellows

Saturday 17 July 1897

Snowing most Big on hills 190
Rain here things very dry in -
I hope before we will get some before
long. No feed No grass ...
Raw - Cool weather just now.
Halls Sale went off big. Everything
big price. Big in

Wednesday 21 July
Sunday 16 July - hay past 11 O'clock
Mass at Dighton - today -
Bitter cold this morning

Hard frost this morning
Hard frost this morning
Sheep - Common 5 to 6
lamb = 5 to 6 of them
feed very scarce now
