

Thursday 2 September 1897. <sup>Continued</sup>

Splendid afternoon thanks  
be to God full of great sole better

Friday 3. Cold & showery, but a

Saturday 4. Raining last night -

Splendid Rain thanks be  
to God this good Bad weather  
for grass growing

Sunday 5. Thanks be to God

Full at table better this afternoon

Hot men - Matt Deakin -  
Little Paddock

Weather out-side Cold & in

Showery today -

Lather Felesin celebrated

Mass today weather cold

vepers to night

Monday 6 - 1 <sup>Sept 1897</sup> = release.

gone to town to doctor

90-0-0 for sheep  
30-0-0 " " } -150-0-0  
10-0-0 " " }

130-0-0 Cattle  
10-0-0 " "  
140-0-0 " "  
10-0-0 " "

Sept 6 1897

200 at home head - 3000-0-0

next June 1898 - 4000 lot at

3000  
1000 = on the 250-0-0  
Bottom 6 1500 at 3/6 per

put up house next winter -

along side water race (middle the 28 day)

250 worth iron house until you get it

250 for stock & dry sheep

This would leave you 75 a year

on the 250 a year - the wool money

would make this you would be

Independent of world

for ever
