

**T. R. PROCTER,**  
 Watchmaker, Manufacturing Jeweller,  
 Silversmith and Optician,  
 HIGH STREET, CHRISTCHURCH,  
 And Revell Street, Hokitika.

**T. R. PROCTER**

Having made the disease of the eye, for the adaptation of Spectacles, an especial study, and during Thirty years' experience in the Optical branch of his business, knowing the difficulty there has been in procuring the imported article of reliable material, properly adjusted to the sight, and having also secured the services of a thoroughly qualified Optician (late of Dolland and Sons, London), and the only **PRACTICAL OPTICIAN** in New Zealand, is now prepared to supply a want long felt amongst the community, viz., the proper treatment of that most delicate of organs, **THE EYE**. Where the sight is either naturally defective, or impaired by accident, over-work, or age, **MR. PROCTER** guarantees to supply **GLASSES TO SUIT ALL SIGHTS**, of the best Brazilian Pebbles, or the Patent Tinted or other Crystals, selected with care and judgment, so as not only to overcome the inconvenience of defective sight, but to preserve as long as possible the strength of the Eye.

Persons suffering from weak and imperfect vision should take the opportunity of calling upon **T. R. PROCTER**, when they can have their sight gauged and registered by specially prepared instruments, and a patent Optometer, for carefully testing the sight, so that they can at any time be supplied by post.

Every description of Catoptrical and Optical Lenses, also Ophthalmoscopes and Laryngoscopes made to order on the premises.

Address:—High Street, Christchurch.
