The undersigned having been appointed Agents for the British and Foreign Marine Insurance Company in Canterbury, are now prepared to accept all kinds of Marine risk at current rates (except on hulls of ships). Losses paid on the spot, or in Liverpool or London, at the option of the assured.

MILES AND CO.,
Christchurch and Lyttelton.

ROYAL INSURANCE COMPANY.

FIRE AND LIFE.

CAPITAL - - - £2,000,000.

FUNDS IN HAND EXCEED ONE MILLION.—ANNUAL INCOME, £500,000.

LIABILITY UNLIMITED.

ONE of the Largest Insurance Companies in the World. Its business extends throughout the whole of Great Britain, and very largely into the Continents of Europe, Asia, America and Australia. The Royal is specially distinguished for the Promptitude and Liberality of its Settlements, for its Large Bonusses, Moderate Premiums, and unexampled Prosperity.

EXTRACT FROM LAST ANNUAL REPORT.

"As the largest total of Revenue and the largest ratio of progression have been attained in the present year, so it happens that the largest profit which it has ever fallen to the Directors to record has likewise on this occasion to be announced."

In the Life Department, Bonusses were declared in 1855 and 1860 amounting to

£2 PER CENT. PER ANNUM ON THE SUM ASSURED!

The greatest bonus ever continuously declared by any company.

The Report shows the new business in Life Assurance for 1863 to have amounted to £752,546, being an advance of £24,069 over the previous year. The half-year of 1864, however, far outstrips the ratio of progress indicated by these figures, as the sum assured for that period of six months only actually exceeds half-a-million sterling. The Life and Annuity Fund have been augmented by the large sum of £106,052 4s. 3d. in the limit of a single year.

The undersigned having been appointed Agents for the Royal in Canterbury, are prepared to make Insurances on Buildings and other Property at current rates, or on Lives on the most advantageous terms.

All risks rated upon their own merits, and losses promptly settled on the spot.
