**G. COATES,**  
 CHRONOMETER,  
 WATCH AND CLOCKMAKER,  
 JEWELLER, & C.,

*Seven years with Mr. Sigismund Rentzsch, Inventor and Maker of the Patent Circumvolving Repeating Watch, &c., corner of St. James's Square, and afterwards for sixteen years a Maker to the Trade, but principally for Mr. B. L. Vulliamy, Her Majesty's Watch and Clock Maker, 68, Pall Mall,*

BEGS most respectfully to thank the public of Canterbury for their Patronage, and to assure them that no effort shall be spared to make his Establishment the most complete in New Zealand.

G. C. feels confident that from his long experience and knowledge of the business generally, and as he makes a *personal* selection of his Goods from the *English and Continental Manufactories*, he is enabled to offer the public the best and choicest selection of Jewellery, at a *cheaper* rate than ANY OTHER HOUSE in New Zealand.

*The Manufacturing and Repairing Department*

He is determined to keep in the most efficient state, having every appliance to do so. He undertakes to Repair every kind of Time Keeper whatever, in a Workmanlike manner, including WATCH-JEWELLING, GILDING, ELECTRO-PLATING, AND TYPING.

*The bonâ fide Maker of the Lords' and Commons' House Clocks at the Palace, Westminster.*

**G. COATES,**  
 OPPOSITE THE CALEDONIAN HOTEL,  
 COLOMBO STREET.
